

# BALTIC 2026 JAMBOREE

Welcome to the first official newsletter for  
**The Baltic Forest Festival!**

The Estonian forest is  
waiting for you in

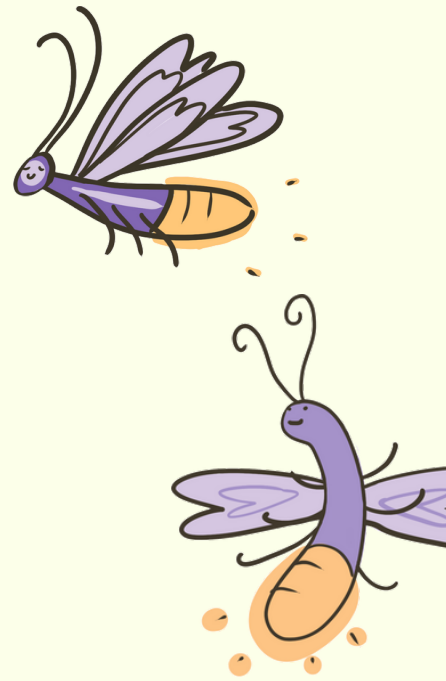

**TAGAMETSA!**

Our festival grounds are located right  
by a beautiful river in central Estonia.

# BALTIC 2026 JAMBOREE

## The Baltic Forest Festival!

**Surely, most of us have gone to at least one festival already, whether it was a music festival, folk festival, school festival or something else entirely. The fun thing about such celebrations is that they're so diverse, exciting and oftentimes educational. Just like our festival camp will be!**

**There will be campers from each Baltic country as well as other wonderful places, hopefully around 800 unique festival-goers. In the coming newsletters you will be able to see if you relate to any of our symbolic ones!**

**Maybe even the Adventurer, who you will meet by the end of this newsletter.**

# BALTIC 2026 JAMBOREE

## Dates

**Main camp 11.-17.07.2026**

Pre-camp (IST only) 9.-10.07.2026

After-camp (IST only) 18.07.2026

## Location

\* - Applies to leader/IST with the camp instructor certification required by the Estonian government.

# ADVENTURER

If you are anything like our **Adventurer**, you will surely be one of the first ones to sign up for BJAM 2026!

**An adventurer** is always ready for the next challenges and surprises camp life throws at them. Be prepared? They always are! An adventurer is **resourceful, clever and takes initiative**, and where better to do it than at the “Baltic Forest Festival” jamboree!

The nature is where the adventurer thrives, a compass in one hand and a smile on their face, so they will be the first one to pack their bags and join us on this exciting adventure.

Their favourite part of the camp? **Definitely the hike day!** They love a good obstacle, can always find their way and love to explore.

**Sounds like you? Then get ready to join us in Tagametsa in 2026!**

## What's next?

More information on the most exciting camp in 2026 will shortly travel your way. Until then make sure you are up to date.
